MailEnable Web Mail Administration

WEB MAIL ONLY – TO ACCESS MAILBOXES

ACCESS:

Open with web browser. Go to www.fpaa.net.au/MEWebMail

Login with: Username = Buyer Code

Password: Use the password provided by Market West Credit Service

Leave all other fields as they are [Skin= Oceano, Language=English]

Initial loading will take a minute or so.

If you are having problems connecting and are using an old browser you may need to use the full address, this is not normally required:

www.fpaa.net.au/MEWebMail/Mondo/lang/sys/Login.aspx

OPTIONS TAB:

This tab allows you to configure your mailbox

Login: You can change your password but please note that Market West Credit service will not have access to your changed password, and is only able to reset your mailbox password to the original supplied to you.

You can change the initial opening screen to inbox or other selections.

Mailbox Redirection: (Options/Mail/Redirection) You can change the address to which mail is redirected.
